## **UPDATE ON FINANCIAL INFORMATION**

This announcement is made by China Demeter Financial Investments Limited (“**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (“**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules).

The board (“**Board**”) of directors of the Company wishes to inform the shareholders and potential investors of the Company that, based on the currently available information, the Group is expected to record a loss for the year ended 31 December 2018 (“**FY2018**”) but such loss is expected to be substantially less than the loss (inclusive of both continuing and discontinued operations) of approximately HK\$97.8 million for the year ended 31 December 2017.

Based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Company and the information currently available to the Group, the substantial reduction in loss for FY2018 was principally attributable to the combined effect of:

- (i) the record of an unaudited loss in fair value of financial assets through profit or loss of approximately HK\$7.6 million for FY2018 (2017: loss of approximately HK\$87.5 million);
- (ii) a substantial decrease of loss in the segment results of the Group’s financial services business for FY2018 (2017: loss of approximately HK\$15.4 million); and
- (iii) a substantial decrease in profit from the segment results of the Group’s money lending business for FY2018 (2017: profit of approximately HK\$6.1 million).

The Company is still in the process of finalising its consolidated financial results for FY2018 and the management of the Group is also in the process of reviewing its investments so to determine, where necessary, any possible impairment loss in respect of such investments. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts and information currently available to the Board, which has not been audited by the auditors of the Company or reviewed by the audit committee of the Board and may be subject to adjustment or change. Shareholders and potential investors of the Company are advised to read the information on the financial results for FY2018 when it is published.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**

On behalf of the Board
