UPDATE ON FINANCIAL INFORMATION

This announcement is made by China Demeter Financial Investments Limited (“**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (“**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules).

The board (“**Board**”) of directors of the Company wishes to inform the shareholders and potential investors of the Company that, based on the currently available information, the Company is expected to record a substantial increase in loss for the three months ended 31 March 2019 (“**2019Q1**”) when compared with the loss of approximately HK\$0.6 million for the three months ended 31 March 2018.

Based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Company and the information currently available to the Group, the increase in loss for 2019Q1 was principally attributable to the combined effect of:

- (i) the gain in fair value of financial assets through profit or loss in the Group’s securities investment segment for 2019Q1 of approximately HK\$1.6 million which was a decrease as compared to a gain of approximately HK\$4.9 million for the corresponding period in 2018; and
- (ii) an expected increase in loss in the Group’s food and beverage business segment for 2019Q1 as a result of expenses incurred in the development of such business segment.

The Company is still in the process of finalising its consolidated financial results for 2019Q1. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Company and information currently available to the Board and may be subject to adjustment or change. Shareholders and potential investors of the Company are advised to read the information on the financial results for 2019Q1 when it is published.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
